Section E – Agreement

You have the right to read the Group Subscriber Contract and Evidence of Coverage and Disclosure Form (EOC) before enrolling in Sutter Health Plus. To help you make an informed choice, we make available Summary of Benefits and Coverage (SBC) documents. SBCs summarize important information about our health coverage options in a standardized format so you can easily compare benefits and coverage offered by Sutter Health Plus with those of other carriers. To obtain a copy, contact your employer or call Sutter Health Plus Member Services **855-315-5800** (TTY 855-830-3500). This enrollment form is part of the Group Subscriber Contract and EOC. You are accepting the terms, conditions, and provisions of the Group Subscriber Contract and EOC, upon completion and execution of this enrollment form.

Binding Arbitration
Sutter Health Plus handles and resolves member disputes through grievance, appeal and independent medical review processes. However, in the event that a dispute is not resolved in those processes, Sutter Health Plus uses binding arbitration as the final method for resolving all such disputes.

As a condition of your membership in Sutter Health Plus, you agree that any and all disputes between yourself (including any heirs or assigns) and Sutter Health Plus, including claims of medical malpractice (that is as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for small claims court cases and claims subject to ERISA, shall be determined by binding arbitration. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. You and Sutter Health Plus, including any heirs or assigns to this Agreement, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration.

I hereby agree to give up my/our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Group Subscriber Contract and EOC.
